

Self-Catering Hampers and Grocery Shopping Service

To help you self-cater at Little Forest we offer three Gourmet Hampers pre-packed for you to enjoy. We can also put together individualised hampers or stock your kitchen cupboards. Payment for all these services must be included with the holding deposit for your accommodation. If you would like us to put together a special hamper for you, add in a bottle of wine or stock the kitchen for your stay, please contact us on annc@hinet.com.au or (02) 4889 4229, with full details of your requirements.

You can also order Hampers and Picnic Baskets from DelISH www.deli-sh.com.au a local company specialising in sourcing local produce. Browse online and let us know the basket you would like and we will order it for you and arrange to have it delivered to your cottage. Or order it online and quote Little Forest with your order.
